Featured speakers
UMD Young Republicans,
Saara Khan and Blake Ruzala

Blake Ruzala is vice president of College Republicans at the University of Maryland College Park and also vice president of TPUSA at the University as well. He is a sophomore finance student pursuing a masters degree in that field, hoping to work in the Department of Treasury. Blake is also currently the campaign Coordinator for

Saara Khan is President of the University of Maryland College Republicans and is a sophomore studying government & politics. Her aspiration is to be a criminal attorney. In the field of politics, she has worked in the Maryland

Republican nominee for Maryland Attorney General, **Jim Rutledge**. Outside of school and politics, Blake enjoys working out, hanging out with friends and family and golfing.

In his busy schedule on campus, he says, "I am doing all of this to help make a difference and to help others. College Republicans means the world to me! I've made life long friends, found my on campus community and am having a blast doing it! Making a difference feels amazing and I'm honored to have a wonderful president to help me and a great board to back us up."

General Assembly since her senior year of high school, where she helped initiate and pass two pieces of legislation.

In her free time, she enjoys reading, weightlifting, being outdoors, and spending time with friends and family! She says she loves College Republicans because "I've found a community that supports me and my values and I get the chance to make a difference in my community."

The May 20, 2026 meeting of the N Club featured GOP nominee for Maryland governor, Dan Cox. He spoke with passion and conviction for the need in Maryland to turn away from big, unaccountable government under Wes Moore, and the opportunity we have now to restore accountability and citizen-first government to the state.

Now in September, after Labor Day, the real campaign season heats up for the MidTerm elections on November 3, 2026. All state

and county offices are on the ballot, along with a number of Ballot Questions and Bond issues. Foremost is the controversial "re-districting" Question 3 to amend the Maryland Constitution, to free the hand of the Maryland General Assembly to conduct more partisan gerrymandering of congressional districts. The Republican position is VOTE NO!

In Prince George's County, on the ballot are also a number of local and state Republican nominees running for various seats in the local and state government.

This is a time for Republicans to actively support these candidates, so that however the voting turns out in November, we can look back and reflect on a good effort for the cause of better, more accountable, commonsense government in the county and state.

Republican election judges are especially needed for early voting centers (October 22-29, 2026) 7:00 AM - 8:00 PM. And at the precinct voting centers on Election Day, November 3, 2026. For details and to help any specific candidates in the county, contact the Prince George's County Republican Central Committee, <https://www.rccpgc.org/>, Jesse Peed, Chair at 240-417-9808, info@pggop.com
